A STEP UP IN STYLE

For the shoe that fits any special occasion, slip on one of the sensual styles from Dikuza's signature collection. Pearls, beads and Swarovski crystals (oh my!) are individually sewn on each shoe for maximum eye appeal. And who could help but kick up their heels to show off crystal-studded metal heels that are featured on many of the shoes in the line? "Our sparkling shoe designs are 'jewelry for your feet,'" says Sandi Cheung, shoe aficionado and Dikuza designer. Priced from \$100 to \$325, the shoes are available at MaryLinn's Couture Bridal in Pasadena and at www.dikuza.com.
